

Faggot Poem

by Andrew Tye

Don't let America fool you small towns are ugly
a truck of men call *faggot* and laugh
Don't let America fool you small towns are
ugly trucks of men who laugh us *faggot*
by the lakeside we were children laughing
laughing by the lakeside they were small town
ugly trucks of men calling out *faggot*
calling us laughing and laughing by the lakeside
Small towns are cops flashing lights by
Saturday 8:30 PM flashing in lakeside towns
laughing trucks of men flashing *faggot*
laughing lakeside cops calling children *faggot*
Don't let America fool you cops are ugly and
you let small towns fool you men and trucks are ugly
flashing by the lakeside cops men laughing
faggot don't let small towns fool you you are light
faggot you are light laughing by Saturday night
faggot don't let men cops fool you you are flashing
America is children laughing by the lakeside
flashing and laughing trucks of men are *faggot*
flashing and laughing by the lakeside
America is lights and cops and *faggot* and
America is trucks and Saturdays and flashing and
faggot don't let it fool you you are America
you are children by the light of the lakeside
